

Child Abuse

312.1 PURPOSE AND SCOPE

312.2 POLICY

The Talbot County Sheriff's Office will investigate all reported incidents of alleged criminal child abuse and ensure the local department of social services is notified as required by law.

312.3 MANDATORY NOTIFICATION

 1. Make an oral report as soon as possible to the local department of social services by telephone or direct communication.

Child Abuse

312.5 INVESTIGATIONS AND REPORTING

In all reported or suspected cases of child abuse, deputies shall write a report even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of child abuse should address, as applicable:

- (a) A thorough and timely investigation and report as required by state law (Md. Code FL § 5-706). This should be done by the investigating deputy in all circumstances where a suspected child abuse victim is contacted.
- (b) The exigent circumstances that existed if deputies interviewed the child victim without the presence of a parent or guardian.
- (c) Any relevant statements the child may have made and to whom he/she made the statements.
- (d) If a child is taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.
- (e) Documentation of any visible injuries or any injuries identified by the child. This should include photographs of such injuries, if practicable.
- (f) Whether the child victim is transported for medical treatment or a medical examination.
- (g) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other children who may reside in the residence.
- (h) Identification of any prior related reports or allegations of child abuse, including other jurisdictions, as reasonably known.
- (i) Previous addresses of the victim and suspect.
- (j) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim's environment.
- (k) Whether within 24 hours after receiving a report of suspected physical or sexual abuse of a child, and within five days after receiving a report of suspected neglect or suspected mental injury of a child, the handling deputy complied with COMAR 07.02.07.08, Md. Code FL § 5-706(c) and Md. Code FL § 5-706.2(c) by:
 - 1. Seeing the child.
 - 2. Attempting to have an on-site interview with the child's caretaker.
 - 3. Deciding on the safety of the child, wherever the child is, and of other children in the household.
 - 4. Deciding on the safety of other children in the care or custody of the alleged abuser.
- (l) Seeking assistance from the local State's Attorney as needed (Md. Code FL § 5-706(d)).
- (m) Completing an investigation as soon as practicable, but not later than the time frames specified by state law (COMAR 07.02.07.09; Md. Code FL § 5-706(h); Md. Code FL § 5-706.2(d)).

Child Abuse

All cases of the unexplained death of a child should be investigated as thoroughly as if it had been a case of suspected child abuse (e.g., a sudden or unexplained death of an infant).

312.6 PROTECTIVE CUSTODY

Before taking any child into protective custody, the deputy should make reasonable attempts to contact the local department of social services. Generally, the decision to remove a child from his/her family, guardian or other responsible adult should be left to the child welfare authorities when they are present or have become involved in an investigation.

Generally, members of this office should remove a child from his/her parent or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the child. Prior to taking a child into protective custody, the deputy should take reasonable steps to deliver the child to another qualified parent or legal guardian unless it reasonably appears that the release would endanger the child or result in abduction. If this is not a reasonable option, the deputy shall ensure that the child is delivered to the local department of social services.

Whenever practicable, the deputy should inform a supervisor of the circumstances prior to taking a child into protective custody. If prior notification is not practicable, deputies should contact a supervisor promptly after taking a child into protective custody.

Children may be temporarily removed from a parent or guardian without prior approval of the juvenile court when a representative of the local department of social services has probable cause to believe that the child is in serious and immediate danger (Md. Code FL § 5-709).

312.6.1 SAFE HAVEN LAW

A mother, or a person with the permission of the mother, may relinquish an unharmed newborn within 10 days after birth to a deputy when the mother expresses an interest in abandoning the child. As soon as possible, the deputy shall take the newborn to a hospital or other facility designated by the Department of Human Resources (Md. Code CJ § 5-641).

312.7 INTERVIEWS

312.7.1 PRELIMINARY INTERVIEWS

Absent extenuating circumstances or impracticality, deputies should record the preliminary interview with suspected child abuse victims. Deputies should avoid multiple interviews with a child victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating deputies should defer interviews until a person who is specially trained in such interviews is available. Generally, child victims should not be interviewed in the home or location where the alleged abuse occurred.

312.7.2 DETAINING SUSPECTED CHILD ABUSE VICTIMS FOR AN INTERVIEW

A deputy should not detain a child involuntarily who is suspected of being a victim of child abuse solely for the purpose of an interview or physical exam without the consent of a parent or guardian unless one of the following applies:

Child Abuse

- (a) Exigent circumstances exist, such as:
 - 1. A reasonable belief that medical issues of the child need to be addressed immediately.
 - 2. A reasonable belief that the child is or will be in danger of harm if the interview or physical exam is not immediately completed.
 - 3. The alleged offender is the custodial parent or guardian and there is reason to believe the child may be in continued danger.
- (b) A court order or warrant has been issued.

312.8 MEDICAL EXAMINATIONS

If the child has been the victim of abuse that requires a medical examination, the investigating deputy should obtain consent for such examination from the appropriate parent, guardian or agency having legal custody of the child. The deputy should also arrange for the child's transportation to the appropriate medical facility.

In cases where the alleged offender is the custodial parent or guardian and is refusing consent for the medical examination, deputies should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for deputies to take the child for a medical examination, the notified supervisor should consider obtaining a court order for such an examination.

An examination and emergency medical treatment may be provided for a child without parental consent if a deputy states a belief that the child has been abused or neglected (COMAR 07.02.07.07(f)(3)).

312.9 DRUG-ENDANGERED CHILDREN

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of children exposed to the manufacturing, trafficking or use of narcotics.

312.9.1 SUPERVISOR RESPONSIBILITIES

The Criminal Investigation Division supervisor should:

- (a) Work with professionals from the appropriate agencies, including the local department of social services, other law enforcement agencies, medical service providers and local prosecutors to develop community specific procedures for responding to situations where there are children endangered by their exposure to methamphetamine labs or the manufacture and trafficking of other drugs.
- (b) Activate any available interagency response when an deputy notifies the Criminal Investigation Division supervisor that the deputy has responded to a drug lab or other narcotics crime scene where a child is present or where evidence indicates that a child lives at the scene.

Child Abuse

- (c) Develop a report format or checklist for use when deputies respond to drug labs or other narcotics crime scenes. The checklist will help deputies document the environmental, medical, social and other conditions that may affect the child.

312.9.2 DEPUTY RESPONSIBILITIES

Deputies responding to a drug lab or other narcotics crime scene where a child is present or where there is evidence that a child lives should:

- (a) Document the environmental, medical, social and other conditions of the child using photography as appropriate and the checklist or form developed for this purpose.
- (b) Notify the Criminal Investigation Division supervisor so an interagency response can begin.

312.10 STATE MANDATES AND OTHER RELEVANT LAWS

Maryland requires or permits the following:

312.10.1 PROCESSING REPORTS AND RECORDS

The handling deputy shall ensure that (COMAR 07.02.07.07; Md. Code FL § 5-706(i); Md. Code FL § 5-706(j)):

- (b) A written report of findings of the investigation is submitted to the local State's Attorney within five business days after the investigation is completed.

312.10.2 RELEASE OF REPORTS

Information related to incidents of child abuse or suspected child abuse is confidential and may only be disclosed pursuant to state law and the Records Maintenance and Release Policy (COMAR 07.02.07.21; Md. Code FL § 5-707).

312.10.3 CHILD FATALITY REVIEW

This office will cooperate with a local or state child death review team (Md. Code FL § 5-706).

312.10.4 HOUSEHOLD ENTRY

Upon request, a deputy shall accompany a representative of the local department of social services who has been denied entry into a household in which the representative has probable cause to believe that a child is in serious, immediate danger. If necessary, the deputy may use reasonable force to enable the representative to gain entry (Md. Code FL § 5-709(b)).

312.10.5 FAILURE TO REPORT

An deputy investigating allegations of child abuse who believes that a person has knowingly failed to report suspected abuse or neglect shall file a complaint with the appropriate agency or board (Md. Code FL § 5-705.4).
