The plan should include a systematic and detailed method for recording and logging of all training for all members.

While updates and revisions may be made to any portion of the training plan at any time it is deemed necessary, the Training Supervisor shall review the entire training plan on an annual basis.

### **203.7 DAILY TRAINING BULLETINS**

The Lexipol Daily Training Bulletins (DTBs) are contained in a web-accessed system that provides training on the Talbot County Sheriff's Office Policy Manual and other important topics. Generally, one training bulletin is available for each day of the month. However, the number of DTBs may be adjusted by the Training Supervisor.

Members assigned to participate in DTBs shall only use the login credentials assigned to them by the Training Supervisor. Members should not share their passwords with others and should frequently change their passwords to protect the security of the system. After each session, members should log off the system to prevent unauthorized access. The content of the DTBs is copyrighted material and shall not be shared with others outside of the Office.

Members who are assigned to participate in the DTB program should complete each DTB at the beginning of their shift or as otherwise directed by their supervisors. Members should not allow uncompleted DTBs to build up over time, and may be required to complete DTBs missed during extended absences (e.g., vacation, medical leave) upon returning to duty. Although the DTB system can be accessed from any internet-enabled computer, members shall only take DTBs as part of their on-duty assignment, unless directed otherwise by a supervisor.

Supervisors will be responsible for monitoring the progress of those under their command to ensure compliance with this policy.
