PRESS RELEASE

The Talbot County Sheriff's Office submitted and was awarded a gift card donation through the Harbor Freight First Responders Giving Back Campaign. Harbor Freight states "we salute the people who serve as first responders with law enforcement and public safety agencies, and we are grateful for their daily commitment to making our communities safe places to live, work and play." The Talbot County Sheriff's Office is grateful for Harbor Freight's support in helping to make our job as first responders easier by allowing us to purchase the necessary tools and equipment needed to keep Talbot County residents safe.

Sheriff's deputies have already utilized the purchased chain saw during two early storms that affected Talbot County this month. Several downed trees were removed from the roadways without calling out additional resources.
